

Karta produktu: Sprężarka łopatkowa Mattei RVX 75 UP  
W: wydajność 16 m3/min - ciśnienie 7,5 bar - moc 75 kW

product code: **RVX75UPW**

| Type                                   | Constant speed |
|----------------------------------------|----------------|
| Drive type                             | Direct         |
| Capacity [m3/min]                      | 16.0           |
| Power [kW]                             | 75             |
| Ciśnienie [bar]                        | 7.5            |
| Pressure max [bar]                     | 8.5            |
| Speed [rpm]                            | 1500           |
| Min. ambient temp. [°C]                | 1              |
| Max. ambient temp. [°C]                | 45             |
| Maximum oil content in the air [mg/m3] | 3              |
| Noise level [dB(A)]                    | 68             |
| Dryer                                  | no             |
| Watercooling                           | yes            |
| Energy recovery system                 | no             |
| Tank                                   | no             |
| Lenght [mm]                            | 2240           |
| Width [mm]                             | 1425           |
| Height [mm]                            | 1890           |
| Weight [kg]                            | 2220           |
| Connection                             | Rp 2"          |
| Protection class [IP]                  | 55             |
| Insulation Class                       | F              |
| Voltage [V]                            | 400            |
| Frequency [Hz]                         | 50             |

## Warianty produktu
