

product code: **F 0080 HDPPF**

| Filtration grade   | PF - General purpose Protection Filtration |
|--------------------|--|
| Pressure max [bar] | 40   |
| Connection [BSP]   | 1 1/2"                                     |
| Flow rate [m3/h]   | 2500                                       |
| Efficiency [l/min] | 41667                                      |
| Height [mm]        | 435  |
| Width [mm]         | 120  |
| Lenght [mm]        | 36   |
| Weight [kg]        | 1.8  |

## Warianty produktu
