

product code: **F 0016 HDPHF**

|                    |                                                    |
|--------------------|----------------------------------------------------|
| Filtration grade   | <b>HF - High Efficiency Oil Removal Filtration</b> |
| Pressure max [bar] | <b>40</b>                                          |
| Connection [BSP]   | <b>3/4"</b>                                        |
| Flow rate [m3/h]   | <b>432</b>                                         |
| Efficiency [l/min] | <b>7200</b>                                        |
| Height [mm]        | <b>252</b>                                         |
| Width [mm]         | <b>94</b>                                          |
| Lenght [mm]        | <b>20</b>                                          |
| Weight [kg]        | <b>1.8</b>                                         |

## Warianty produktu
